We will give you tips on how to improve your credit rating, to help prepare you to get a mortgage. *Even if you went bankrupt recently, we can help you.*

Our plan....

When you rent-to-own 250 Confederation Street, \$175.00 of your monthly payments go towards your down payment for a house.

You act like an owner right away... **no landlord**... you are your own landlord, because you are working towards owning your house right away.

You take care of the grounds, **treat it like your own house**. You pay the utilities, and anything that needs repair under \$500.00.

Any **repairs over \$500.00 we take care of**. (i.e. new roof, new furnace, etc.)

We pay the property taxes and house insurance (you still need to buy your own content insurance)

We take the fair market value of the house and increase the value by 6% a year. The current rate of property appreciation in Sarnia is approximately 17% a year. (Canadian average appreciation is 8%) That means, when you are ready to finalize your purchase, you will be buying a house below market value, and **you will have equity in your home immediately**.

SPECIAL DEAL FOR 250 CONFEDERATION STREET ONLY

Unbelievable – but we will freeze the price for one year at today's fair market value! The 6% a year increase will not start until 1 year after you move in. Today's fair market value for 250 Confederation Street is 92,000.00. That means, next year at this time, you can finish your purchase at today's Fair Market Value. Or you can choose to take more

time to finalize your purchase of 250 Confederation Street with only a 6% increase per year.
